Assembly Required

SHAPE IT YOUR WAY:

- Custom Heights available or
- Upgrade to Decorative Capitals or Attic Bases

SPLIT COLUMNS FOR POST WRAP!

- Split vertically to re-assemble & fit around a post
- Split in in half for Pilasters against a wall
- Wedged for inside or outside Corners (On site fitting required)

* All are designed as decorative items only. For load bearing applications request load bearing wood or use a metal post and wrap with Split column facade - you will loose the thickness of the saw blade when columns are split

* All specifications subject to change without notice, Measurements are approximate & Final Product may vary from this brochure
